The email you will enter is:

Your child's student id # **@fcpschools.net**

Then click next.

3. You will then be taken to the password page to enter your child's password (same as their MyOn and Blackboard password).

The image shows a Google login interface. At the top is the Google logo. Below it is the word "Welcome". Underneath is a rounded rectangle containing a person icon and the email address "@fcpschools.net" with a dropdown arrow. Below that is a large rectangular password input field with the placeholder text "Enter your password" and a visibility toggle icon (an eye) on the right. At the bottom left is the text "Forgot password?". At the bottom right is a blue button labeled "Next". Two red arrows are overlaid on the image: one points from the top left towards the password input field, and the other points from the bottom right towards the "Next" button.

This is where you will find the link to our BBCU virtual classroom where we will meet for our live sessions.
