

In addition to the Fairfax County Public School website www.fcps.edu, and individual school websites there are a variety of communication tools available.

Student Information System (SIS) Parent Account - Provides online access to information about students' attendance, class performance, demographic data and course materials.

The SIS Parent Account is the FCPS secure solution to accessing information about a student's attendance, class performance, demographic data, and information related to scheduling, attendance, discipline, health, grades, and academic programs. SIS is a secure, web-based system assessable by staff, students, and families. Families should update their child's emergency care information in the **weCare@School** section or by filling out an Emergency Care Form at the school. Changes will be made to the student's record in the SIS. For more information on SIS Parent Accounts, visit <https://www.fcps.edu/resources/technology/student-information-system-sis-fcps>

Schoology is a learning management system. Schoology Parent Account provides: access to view student's courses, groups, assignments, and calendar. Parents/Families can also check messages, adjust their notifications settings, and access additional groups or course if they are the enrolled as a member. More information about Schoology, visit <https://www.fcps.edu/resources/technology/student-information-system-sis-fcps/sis-parent-account-overview>
